Dear Friends,

Greetings from Jothydev's Diabetes Research Centre (JDC)!

With immense pleasure we request your esteemed presence and participation at **Jothydev's Professional Education Forum (JPEF) Annual Convention on 16th & 17th August, 2014.**

The theme of **Jothydev's Professional Education Forum (JPEF) Annual Convention Continuing Medical Education (CME)** is '**Diabetes- let's move forward**'. We have the most distinguished line of National faculty of International repute joining us from all across the country and from abroad for the first time in the historical city of Trivandrum.

The two day scientific convention will discuss and debate on current challenges in the management of diabetes, newer therapies, diabetes in the elderly, cost effective incorporation of technology, early recognition and prevention of cardiac, renal and other complications etc.

JDC is primarily involved in research and education in diabetes and has generated hundreds of original diabetes research publications nationally and internationally. For more than a decade the centre has been actively involved in CME programs generating original research in diabetes, training doctors, promoting educational videos, publishing newsletters etc. with a view to disseminate knowledge locally and internationally.

JPEF is purely a scientific platform for the knowledge update of doctors and their multi disciplinary team members to apply the technologies and skills in day to day clinical practice.

The two day convention will truly be a scientific feast. We request your esteemed participation and confirmation at the earliest.

With warm regards,

Dr. Jothydev Kesavadev MD, FRCP (Glasg)

Managing Trustee, P. Kesavadev Trust

WELCOME TO GOD'S OWN COUNTRY **Kerala**

THIRUVANANTHAPURAM

SHRI PADMANABHASWAMY TEMPLE

Thiruvananthapuram continues to wear its princely statehood on its sleeves with the city's most defining feature, Shri Padmanabhaswamy Temple, the world famous and wealthiest Hindu Temple in India. The possibly 2000 years old temple is truly a royal treat and a treasure-trove of invaluable memorabilia.

KOVALAM

Kovalam, just 13 km south of Thiruvananthapuram is one of the finest beaches. Three crescent shaped beaches separated by rocky headlands & the crimson sunsets makes it the sun-and-sand paradise of India.

PALAYAM SQUARE

St. Joseph's Cathedral is one of the most important Church in Thiruvananthapuram. Situated at Palayam, the Church has a temple and a Mosque as its neighbours, establishing the communal harmony of Keralites.

The few places worth visiting in Thiruvananthapuram include **Napier Museum, Kuthiramalika, Beemappalli, Kanakakunnu Palace, Veli Tourist Village, Varkala Beach & Cliff, Ponmudi Hill Station** etc.

 **Hilton
Garden Inn**

IN THE CITY'S HEART

Located just 20 minutes away from airport and adjacent to the Prestigious Secretariat, Magestic MG Road, Art Galleries, Museum, Palaces and the City's best-known stores, Hotel Hilton Garden Inn offers a great hotel experience.

With the state-of-the-art facilities and exceptional services, it has become one of the favourite destination for discerning travellers from around the globe.
